

Letter from Mabel Hubbard Bell to Alexander Graham Bell, undated, with transcript

Letter from Mrs. Alexander Graham Bell to Dr. Alexander Graham Bell. My darling Alec:

We have been having a lovely time, although I have missed you all the time.

Mrs. Kennan and I have continued in the same room and bed . We went for a four mile tramp over the ice and through the woods yesterday and for a moonlight walk at nine, it was simply perfect. I never saw Mars with color before. We are coming home tomorrow like good children, but I do wish you were here and having a good time and that we might stay another week. I like this, but I like you better.

Yours ever,
